COBCA Executive Committee greatly appreciates the efforts by COBCA volunteers in Ronald McDonald House held on Sunday December 14th 2014. Our school going youngsters deserve a special applause for the way they made us proud in supporting our cause that afternoon. Providing a meal (lunch) to all the resident families and participating in housekeeping service was indeed a thoughtful gesture that remains attuned with COBCA's tradition in giving back to the greater society through a noble cause.

Warm Regards & Happy Holidays
